

EXPERIENCE. EXCELLENCE

Leaders in Quantity Surveying and Construction Cost Management

BUILDING THE FUTURE. BUILDING RELATIONSHIPS.

Partnering with Clients Based on Trust, Commitment and Shared Goals

MLC's level of personal investment and accountability in the quest to achieve success on every one of our clients' projects is unique. We focus on building and sustaining strong relationships based on trust, staying true to the entrepreneurial spirit that gave birth to our company in 1936 and that has seen us grow purposefully and consistently since then.

EVERY RISK IDENTIFIED. EVERY OPPORTUNITY EXPLORED

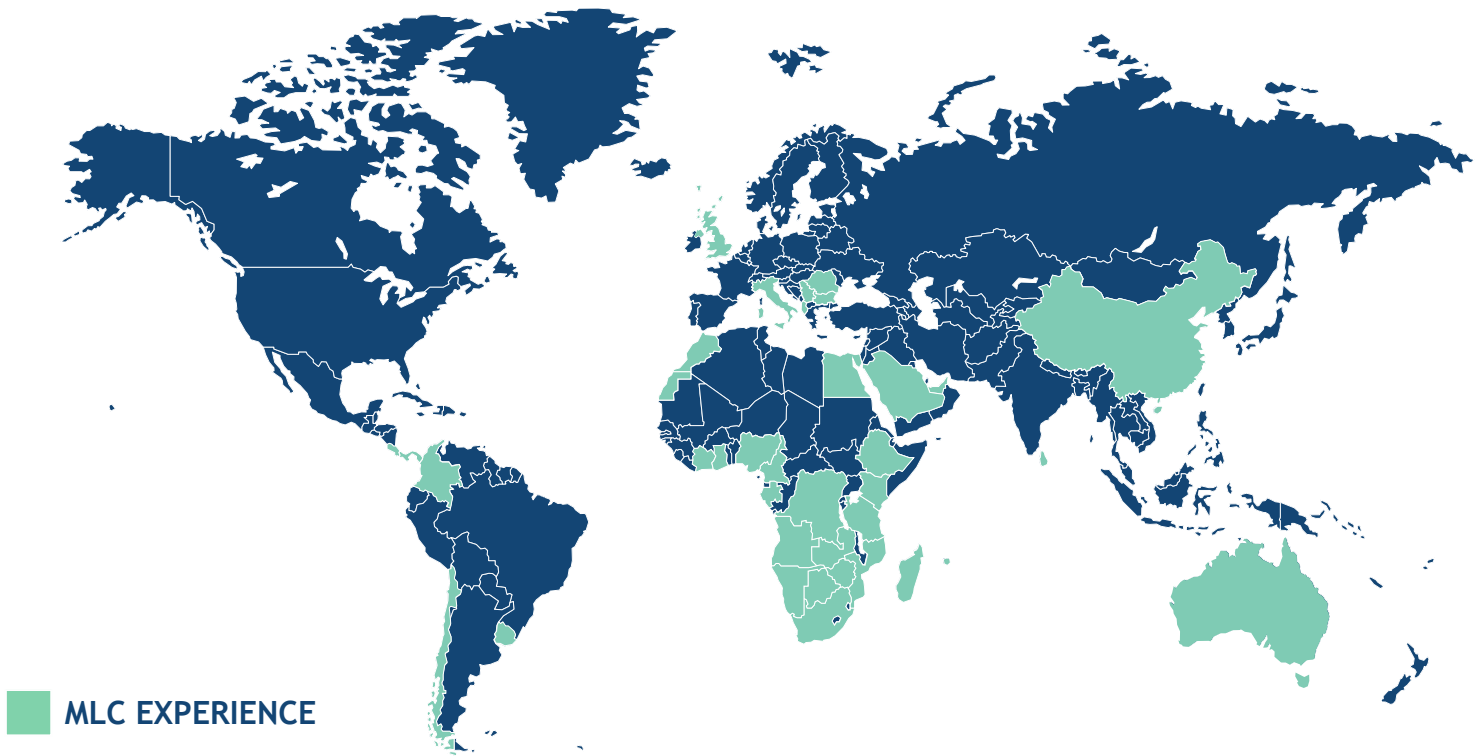

Tailored Cost Management Solutions that Meet Every Challenge

In our quest to realise and exceed our clients' expectations in terms of both time and budget, we go beyond the scope of typical construction cost consulting and quantity surveying services. We protect our clients' interests by proactively researching and anticipating industry challenges, identifying, and managing risks, exploring, and optimising opportunities and accurately forecasting costs that deliver success.

FIVE CONTINENTS. EIGHTY-TWO COUNTRIES

We are Trusted by Private and Public Sector Clients Worldwide

From Africa to Europe, Middle East to Far East, South America to Australasia and beyond. MLC's team of 150 plus experienced dedicated professionals, operating out of 11 registered international offices, have successfully been involved with projects across various sectors.

GREAT MINDS. IN GOOD HANDS

From Simplifying Complex Challenges To Delivering The Right Solution,
Personal Dedication Is Constant

Every one of our 150 plus staff is passionate about what we do and strives for excellence always. This is evident from our leadership to our associates. Each project we undertake is managed by one of our Group Directors, who personally dedicate themselves to supporting the client and guiding the team.
